## 2011 Celebration

The Eastchester Columbus Day Celebration Committee (ECDCC) announces its 37<sup>th</sup> Annual Eastchester Columbus Day Dinner Dance Festa; Carnival & Parade to promote Italian Heritage in the Town of Eastchester and Villages of Tuckahoe and Bronxville. Each year, the ECDCC, sponsors a Dinner Dance Festa, parade and carnival which have become the most anticipated events in our community and throughout Westchester County! The carnival has rides for children of all ages and adults, live entertainment on the stage and our local merchants serve as vendors to provide food, drinks and Italian Novelties and seasonal merchandise.

We are very excited to announce that our parade will be led by our 2011 Grand Marshal John D'Arco accompanied by Theresa Vaccaro Nicholson - the 2011 Monsignor Anthony Maltese Humanitarian Award recipient; Aurelio Cipriano – this year's recipient of the David R. DiRubba Community Service Award recipient and our very own Nonna Columbus recipient Donna Labricciosa.

The ECDCC is dedicated to ensuring that the community, its organizations and its local merchants are given the opportunity to participate in our event in order to make it successful for everyone. This year, we are continuing our live entertainment, Homemade Wine and Meatball Contests and as always our fireworks extravaganza.

As in the past, we ask our friends to help support this exciting event in our community. Please complete the forms enclosed and submit no later than September 9, 2011. We will be adding a list of all our sponsors along with their websites (if available) or their addresses to be listed on our official website. The sooner your donation is received, the longer it is visible on the website!

Don't miss out on being a part of this wonderful event that will continue in our community for many years to come. Grazie!

Ciao,  
Joseph Mercorella  
Sponsorship Committee

Karen Gizzo  
Chairwoman
